Also Present: Lynda Quinn; Jon Moody; David Leavitt

1. New School Project Updates

Bids have been opened and the low bid from Landry/French is below budgeted monies.

Recommendation: The School Board accept the low bid of Landry/French as General contractor for the Margaret Chase Smith Community School.

2. SAHS Access Road

Discussion about Pine issues/resolution

The pines along the high school access road have many issues, including insect damage and dying limbs causing safety issues.

Recommendation: That the school approve removal of the trees and replanting with Rock Maple.

3. Tennis Courts

Discussion of the possibility of funding tennis courts with federal covid relief funds with a backup plan to use savings from state revolving renovation fund projects.

The committee understood of the need for tennis courts on the school grounds and was supportive of taking the issue to the full board following the meeting.

4. Donation

Town of Skowhegan has donated \$1,000 to Adult Education to purchase an Ipad

Canaan Elementary Food Cupboard has received a donation of \$500 from Maine Highlands FCU

Marti Stevens has received a donation of two \$25 gift cards from Tractor Supply

Recommendation: The School Board accept the above listed donations.
